Seize Your Life

Live a vision-driven life! Personal success only comes when we start to bet on ourselves. In this inspirational keynote address, Jasmine guides audiences on the journey to carpe diem. Jasmine identifies how to unlock the barriers that keep us from living the life we are intended to have while establishing a personalized vision to take life to the next level.

The Power of The Ask

Tired of seeing others advance while you stay in the same rut? Most likely, those people made an ask. Achieving your vision and a life you have imagined often requires asking for what you want. In her Power of The Ask keynote speech or workshop, Jasmine addresses the apprehension and anxiety making the ask often invokes and inspires audiences to raise their voice and ask for what they want out of life.

Making Authentic Connections

In a world of increased isolation, how do we make authentic connections and network with one another? Offered as a keynote speech or hands-on workshop, Jasmine shares best practices for breaking down barriers, expanding our various networks and deepening personal and professional relationships.

Vision Board Experience

Set your intention to Seize Your Life! In the Vision Board Experience Workshop, Jasmine leads participants through a self-reflection process that cultivates a creative vision board for the next step of your life journey.

Roadmap for Seizing Your Life

Pondering your next steps in your life journey? Whether you're starting a new chapter, pivoting, reinventing yourself for a second act, or taking your life to the next level, you need a plan to achieve your vision! In this hands-on reflection workshop, Jasmine offers a deep dive for individuals to chart their route to carpe diem and stay on the path to success. Paired with the Seize Your Life keynote address or as a stand-alone experience, the Roadmap for Seizing Your Life Workshop is customizable for individuals or groups of any size.
